

21 Apr 2011	AOSpine Advances Symposium— Cervical and Lumbar Degenerative Diseases	National Faculty	Moscow, Russia
14 May 2011	AOSpine Advances Symposium— Deformed Spine	Participant	Portomaso, Malta
11 Dec 2011	The degenerative lumbar spine, deformities and tumors Advanced Course	Participant	Davos, Switzerland
23 May 2012	AOSpine Masters Symposium— Degenerative Spine	National Faculty	St Petersburg, Russia
19 Sep 2012	AOSpine Russia Council Meeting	Council member	Moscow, Russia
20 Sep 2012	AOSpine Principles Course— Treatment of Trauma Injuries of the Spine	National Faculty	Moscow, Russia
28-29 Sep 2012	AOSpine Training for Chairpersons	Faculty training participant	Zurich, Switzerland
3-4 April 2013	Global Spine Congress 2013	Oral presentation	Hong-Kong
20-21 May 2013	AOSpine Advanced Symposium—Spinal Infections and Tumors	National Faculty	Kurgan, Russia
05-06 Jun 2014	AOSpine Masters Symposium— Complications in Spine Surgery	National Faculty	St. Petersburg, Russia
09 Oct 2014	AOSpine EMEA Training for Educational Advisors	Faculty training participant	Zurich, Switzerland
08 May 2015	AOSpine Principles Specimen Course	Regional Faculty	Tampere, Finland
05 Jun 2015	AOSpine Principles Course— Instrumentations in spinal surgery: objective necessity or fashion?	National Faculty	St. Petersburg, Russia
13 Dec 2015	AOSpine Davos Courses	International Faculty	Davos, Switzerland
14 Dec 2015	AOSpine Davos Courses— Preventing and Managing Complications 14 DEC	International Faculty	Davos, Switzerland
15 Dec 2015	AOSpine Davos Courses— Solutions for Complex Degenerative Cases 15 DEC	International Faculty	Davos, Switzerland
16 Dec 2015	AOSpine Davos Courses— Preventing and Managing Complications 16 DEC	International Faculty	Davos, Switzerland
17 Dec 2015	AOSpine Davos Courses— Solutions for Complex Degenerative Cases 17 DEC	International Faculty	Davos, Switzerland
23 June 2016	AOSpine Advanced Symposium- Challenges in Spine Surgery: Non-Standard Pathologies, Infections and Osteoporosis	National Faculty	St. Petersburg, Russia
1 Mar 2017	AOSpine Europe Board	Russian Ilizarov Scientific Center "Restorative traumatology and orthopaedics" - AOSpine Center status (until 31.03.2019)	Dubendorf, Switzerland
23-23 June	AOSpine Advanced Symposium- Transitional Spinal Zones	National Faculty	Kurgan, Russia

## AOSpine reports

1. Pediatric spine trauma
2. Pediatric disc degenerative disease
3. Tandem Cervical and Lumbar Spinal Stenosis
4. CSF leak/fistula following decompression surgery
5. Neuromonitoring lost during spine deformity surgery
6. Pseudoarthrosis in adult lumbosacral surgery
7. Concepts in biology of bone healing and bone grafting
8. Biomechanics of cervical trauma—Differences in suboccipital and subaxial, special features
9. C2 fracture dislocation—Classification, principles and methods of treatment
10. Trauma of cervical spine—Part 2: Subaxial
11. Case presentation
12. Spinal Osteomyelitis: limits of conservative treatment
13. External fixation as a «safe-boat» in spine septic conditions
14. What do we mean by spinal surgery complications?
15. Complication associated with HALO traction management
16. Pitfalls of Cranio-Cervical and C1-C2 fixation
17. Complications during surgical management of cervico-thoracic
18. Injury
19. Spinal infections»
20. Cervico-thoracic deformities in patients with osteoporosis
21. C0-C1-C2 posterior approach and fixation tricks. Indications and Techniques
22. Transitional zone C2-C3 features and traumatic dislocations
23. C0-C1-C2 congenital and syndromic abnormalities
